It may be the proximity of Thanksgiving, but before the season draws to a close, there are some people whose good works on this Club's behalf should be acknowledged.

Understandably, at the top of this list belong Al Cox and Vanetta whose alchemy in transforming Algonquin Island sand into flowers and grass is nothing short of incredible. Al raised his sights recently and with the aid of a merry band of "wood-choppers" levelled some intruding trees to expand useable landscape. My thanks to his assistance.

My appreciation also:

- to the "sodders" and "slabbers" for their efforts in extending the greensward and pavement.

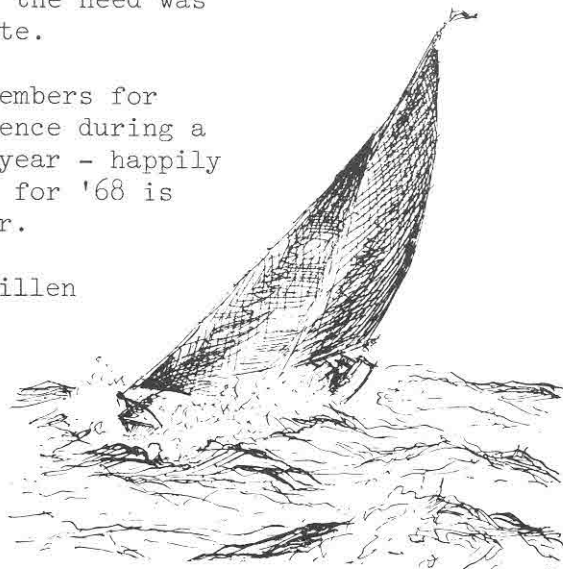

- to the unsung heroines and heroes who toiled so diligently at the closing regatta and Junior Club dinner to make these a success.

- to our good friends at the Royal Canadian and Island Yacht Clubs for the generous use of their Club tenders when the need was most desperate.

- to our own members for their indulgence during a "difficult" year - happily the prospect for '68 is much brighter.

C. T. Millen
