BENNETT PUT OUT IN TWO MINUTES

Champion "Rube" Ferns Scored a Quick Victory Last Night.

JACK ROACH WAS BEATEN

Toronto Man Lost on Points to Jack Sullivan of Philadelphia.

Jim Lawless knocked out Jack Doyle, both of Toronto, in first round in five-round bout, at 135 pounds.

Jack Sullivan, of Philadelphia, defeated Jack [illegible], of Toronto, on points, in ten [illegible] at 135 pounds.

Champion [illegible] of Kansas City, knocked out [illegible] of McKeesport [illegible] in [illegible] round, of twenty-round bout, at [illegible] pounds.

Referees—Jack Bennett, Toronto, and Jack Sheehan, Boston.

[illegible] rounds of boxing scheduled for the Crescent Athletic Club entertainment, at the Mutual Street Rink last night, less than twelve were required to decide the bouts, owing to unexpected knock-outs in two or three of the bouts. The quick defeat of Bennett was a great surprise to his many followers here, and there were stories floating around that the McKeesporter had "laid down" to Ferns, the betting during the day being used as evidence against him. It is hardly likely, though, that there was a job in the deal, as Bennett is given credit in Toronto for being a good honest fighter.

Ferns in Quick Order.

Ferns stripped in his corner like a cross between Bob Fitzsimmons and Kid Lavigne. He was almost of a size with Bennett, who looked pinched and worn out. They shaped up well, and a fast fight for the full distance was anticipated by the spectators. Bennett danced around the ring with his old-time vigor, and there were several lively mix-ups, both men chopping on head and shoulders. They were coming together quickly and breaking away just as fast. After two minutes of fighting they clashed in Bennett's corner. As they were stepping back Ferns hooked a left on the jaw and Bennett toppled over on the floor on his back and was counted out.

"Ferns wins," said Referee Sheehan.

Spectators Surprised.

The spectators were dumb with surprise, but Ferns' seconds danced and cheered with joy. Bennett was dragged to his corner, when he suddenly revived and ran over to the referee.

"That man hit me on the breakaway," he said, "when we agreed there was to be no hitting that way."

"You were beaten fairly," replied the referee, as he crawled through the ropes.

Ferns was walking around the sides of the ring shaking hands with everybody. Bennett rushed over to him and got into an argument, which was stopped by calls of a speech from Ferns.

"I'm not much at speechmaking," said the champion, "but I can whip any 142-pound man in the world."

Bennett interjected a few remarks.

"This man hit me unfairly on the breakaway," he said, "and I want to meet him again for a side bet as large as he likes."

Bennett offered to fight Ferns for a wager there and then, but the champion failed to see what good that would do him, and quit the ring.

Jack Roach Beaten.

The ten-round bout between Jack Roach, of Toronto, and Jack Sullivan, of Philadelphia, at 135 pounds, went the limit, the decision going to the Quaker city man on points, after a very clean fight. The local boxer started off well, and for four rounds had the better of the argument. Then he chose to assume the defensive, until the final round, when he again mixed it up in lively fashion. Sullivan is a fair sort of a boxer, and had the advantage in height. Roach staggered him with left swings on the jaw in the second and fourth rounds, but failed to follow up his advantage, while the Philadelphian never lost a chance to improve his position. Roach was lively on his feet, and did some clever dodging. His nose bled in the sixth round, but that was the only visible damage to either contestant. The decision was eminently fair, and Referee Bennett's decision found favor with the majority of spectators.

Lawless Won Easily.

It took Jim Lawless, of Toronto, just two minutes to put Jack Doyle, another local pugilist, out of business, in the first preliminary. Doyle was no match for his opponent, and floundered into all kinds of stiff punches. He was knocked down three times before Referee Bennett stopped the bout. Doyle was completely out, and took several minutes to recover. Lawless didn't need any science to whip Doyle and simply punched at random. Doyle got in a couple of punches himself, but they wern't of sufficient strength to hurt his opponent. The boys were scheduled for five rounds at 135 pounds.

NOTES OF THE BOXERS.

—Sharkey and Jeffries will sign articles to-day for another fight in August next.

—H. Hotspur McBride, the well-known referee and sporting critic of The Buffalo Enquirer, was at the ringside.

—Casper Leon and Jimmy Smith will box before the Crescent Club a week from to-morrow night, the last day of the races.

—"Rube" Ferns had as seconds Danny Murray, Fatty Sherrin and Billy Breen, and behind Bennett were Jack Sullivan, Dan Kelly, Angus McLeod and Jack Daly.

—Bennett's remarkably quick recovery last night made the people doubt the genuineness of the knockout. Ferns' great manifestations of joy gave the opposite impression.

The race resulted in an easy victory for Nelson, who overlapped Gibson on the sixth mile, and continued to gain on him, finishing with a lead of over three miles. Nelson in the hour covered 32 miles 1,677 yards. Nelson was loudly cheered at the conclusion of the race. Gibson was considerably handicapped by his motor, which did not work properly.

Charles Miller, the six days' wonder, did an exhibition mile on a motor cycle in 1 minute 20 seconds, establishing a new record.

In the fifteen mile professional motor race, C. W. Miller and W. W. Judge, of New York, had a walkover. Frank Mayo and John R. Dubois, of Boston, also started, but after completing several laps retired. Miller and Judge finished in 24 minutes 15 seconds.

The other events on the card were only of local interest. The races were the first to be held under the direction of the C. C. A., and C. C. A. officials were in charge.

GREAT DAY FOR CRICKET.

Toronto-Rosedale Won and Lost Yesterday—Parkdale Defeated St. Alban's.

Toronto-Rosedale won and lost yesterday, defeating Trinity University by 13 runs and losing to Trinity Church School by 11 runs. The combination put on 107 runs in the first innings, Trinity being all out for 94. Hardisty 29, Forrester 38 and Boyd 13 were top scores for the winners, which W. H. Mockridge 36 was the chief scorer for Trinity. Toronto-Rosedale had scored 73 for eight wickets when time was called.

T. C. S. scored 117 and Toronto-Rosedale 103. For the School, Labatt not out 32, Piercy 18 and Garvey 19 were chief contributors. For Toronto-Rosedale Larkin 41, Ogden 16, Warden not out 13 and Saunders 14 were the only double figures.

Strathroy downed Watford at home by 107 to 30 on the first innings. For Strathroy Pope and Dampner made 32 each; for Watford Gibson put on 15.

Galt defeated Brantford at home in a one-sided game of cricket yesterday. Logan and Gray did the bowling for the visitors and were in splendid form, the former taking four wickets for 8 runs and the latter five wickets for 10 runs. R. O. McCulloch ran up 24 for Galt. Moss 11 was the result of splendid cricket.

A good game was played on the Exhibition Grounds yesterday between St. Alban's and Parkdale, the result being a win for Parkdale by 4 wickets. The game was close and exciting, and the bowling of both clubs excellent. In Parkdale's second inning F. S. Chambers made 27 not out by good and careful cricket, and this, together with his performance with the ball in St. Alban's first inning, when he took eight wickets for 12 runs, had a great deal to do with winning the game for his club. Lightfoot also bowled very well for Parkdale, as did Wheatley and J. Edwards for the losers. At luncheon, after the toast of "The Queen" had been disposed of and the National Anthem sung with earnestness by thirty lusty throats, the chairman proposed the health of our Canadian cricketers in Africa. This was drunk amidst great enthusiasm. The secretary of the Canadian Association, Mr. J. E. Hall, was also toasted by the St. Alban's eleven, he also having a birthday to celebrate, the forty-sixth, to wit, having been born on May 24, 1854.

At Grimsby the home team administered a crushing defeat to the Ridley College team. Grimsby, in their first innings, piled up 87. The College responded with 42 and 33, the home team thus winning by an innings and 12 runs.

[illegible]ITY AS TOO EASY [illegible]R THE TORONTOS

[illegible]onals Were Not in the Lacrosse Game Yesterday.

CAPITALS OPENED WELL

Defeated Montreal in First Senior League Championship Game.

At many a country cross-roads hamlet better lacrosse was played yesterday than that with which the season was opened by the Torontos and the Nationals at Rosedale. It was not the Torontos' fault that the exhibition was such a poor one; they had it all their own way from the start, and any extra exertion upon their part would have only added to the weariness of the grand stand.

Of course it was the first match of the season, and an exhibition affair at that, and too much should not be expected from men who have not yet had time to work themselves into a condition conducive to fast work upon the lacrosse field. But the visitors had as good a chance as the home men in this respect, and "the odds," it might be incongruously remarked, ought to have been "more even."

President Rutter, with an example of promptitude which it is to be hoped will be followed throughout the season, started the game sharp on time, with a crowded grand stand and overloaded bleachers to applaud the act. The play was decidedly ragged at first. It worked itself into a semblance of regularity in a few mintes, but was not at any time really fast. The Nationals were clearly outclassed. While the Torontos checked closely, caught cleverly and fielded freely, the Montrealers played the game in a lazy fashion, seldom making any attempt to draw away from their checks when one of their own men was looking for a chance to place the ball and expedite its prompt deposit in the goal nets.

There were spells of clever combination work on both sides, at rare intervals. Fred. Moran, at centre, was here, there and everywhere, but always at the right place at the right time. Geatrix also did good work at inside home. Others who showed up to advantage were Murray, Lillie, and the goalkeeper, Hanley. The team, altogether, is a well-balanced and most promising one, and when it gets into faster company will give the grand stand the worth of its money.

The score was 8 to 2, but it might have been worse. McKeown scored the Nationals' two games in as many minutes, but it was after the Torontos had placed six goals to their credit and were wearying even of a good thing.

The teams played in these positions:

TORONTO TEAMS BEATEN.

Orangeville, May 24.—About 4,000 persons assembled at Idylwyld Park to-day to witness the lacrosse matches between the Acmes, the junior city champions of Toronto, and Dufferins III., and the Tecumsehs of Toronto and the Dufferins. The home team won in each game, the Dufferins III. by a score of 5 goals to 1 and the Dufferins by 8 goals to 0. The junior match was the fiercest played, and, despite the rather one-sided score, was a spirited and interesting contest. Both teams played a really fast game for juniors. The visitors, however, were apparently somewhat nervous, and were also handicapped by lack of familiarity with the grounds. On the whole, though, the home team deserved its victory, their stick-handling and combination play being clearly better than that of the Acmes. The players and their positions were:

Acmes (1): Goal, Sheddon; point, Leslie; cover-point, Page; defence, Heal, Moore, McIntyre; center, Hogg; home field, Heal (York); outside, Damp; inside, Todd.

Dufferins (5): Goal, Booth; point, Kelly; cover-point, Myers; defence, W. Kearns, McKim, McKinnon; center, Kilpatrick; home field, J. Hatcher; outside, Morrison; inside, A. Kearns.

The senior game was fast at times, but the players were not in any too good condition, and an occasional rest was very welcome. Will Irvine got a bad crack over the head early in the game and had to retire. Leslie went off to even up. Later Angus was heavily body-checked by Irvine and a [illegible] ensued until he regained his w[illegible] visitors had only half of the[illegible] team, the remaining places [illegible] by juniors. Kelly, Angus, Grimes, [illegible] nox and Waghorne did good work, but were unable to keep down the score. H. J. Shore, the two Kellys, Menary, Irvine and the McIntyres were the best on the Orangeville twelve, although every member of the team played good lacrosse. Jimmy Irvine scored twice, Clarridge twice, and the McIntyres, Will Irvine and Bert Henry once each. The players were:

Tecumsehs: Goal, Sneddon; point, Grimes; cover-point, Angus; defence, Behan, Leslie, Waghorne; center, Wilkinson; home field, Kelly, Penniston, Hallett; outside home, Lennox; inside home, Maltby. Field captain, Geo Taylor.

Dufferins: Goal, Kelly; point, Menary; cover-point, Shore; defence, W. Kearns, J. Kearns, Kelly; center, J. O. Irvine, home field, F. McIntyre, W. McIntyre, Clarridge; outside home, A. W. Irvine; inside home, B. Henry. Field captain, C. R. McKeown.

Dr. T. H. Henry acted as referee in both games.

CAPITALS BEAT MONTREAL.

Ottawa, May 24.—The Capitals commenced the championship season here to-day by defeating the Montrealers by a score of 5 goals to 1 in a game on Ottawa University oval. Although the winners of the match, the Capitals did not throughout the game show a deal of superiority over their opponents. A little looseness in play on the Montreal defence at times resulted in the Capitals getting the rubber past the poles. The Montreal home played their end of the game in a fairly good manner and attempted often enough to score, but Hutton, the Capital's goal man, was always in the way.

DROP SHOTS ON GOAL.

It was too easy.

There was only one casualty. Wheeler had his lip cut by an accidental clip.

They were well matched as to size and weight; but here the comparison begins and ends.

The Torontos saw visions of the championship in their dreams last night.

Let us hope that the winning wave which started yesterday at Rosedale will spread to the Island.

"Get in the game," was the fragment advice of the Nationals' field captain to his men. And the grand stand waited for two long hours to see them do it.

Mr. Richard Garland, last year's president, was during the afternoon presented by members of the Toronto Lacrosse Association with an illuminated address.

There were several tiresome waits between games. As the average game did not last longer than five minutes—the ten goals being scored in exactly 50 minutes—and the pace was never a fast one, the intermissions might have been shorter.

The Army and Navy Veterans' band, wearing khaki uniforms, kept up the spirits of the despondent bleechers. After the boys in blue had scored their sixth straight game, the band played an andante movement that must have sounded suspiciously like a dirge to the ears of the weary Nationals.

BASEBALL BREVITIES.

—Two out of three.

—Keep up the good work.

—Montreal doesn't look hard.

—Bannon is playing a great center field.

—Mr. Barrow thinks they've turned the corner.

—Toronto pitchers are doing all right now.

—Kittredge is a shrewd ball player, but an unpopular manager.

—Barrie beat Penetang in an exciting game by a score of 23 to 22 yesterday.

—At Ailsa Craig the Stars of that place won from the London Ramblers by 9 to 2.

—The Broadways of Toronto took the Newmarket club into camp yesterday by a score of 13 to 9.

—Hannivan played in right for Syracuse on Tuesday and had one hit and accepted two chances.

—At Merritton the home team won from St. Catharines in a Niagara District match by a score of 20 to 17.

—Harry Bemis has developed into quite a hitter. Toronto has a good pair of catchers this year all right.

—In the Midland League Port Hope won from Oshawa by 18 to 13, and Lindsay lost at home to Bowmanville by a score of 17 to 10.

—"Buck" Freeman made a home run for Boston in Wednesday's game against St. Louis. McGann made a homer in the same game.

—Rothfuss stole home in Wednesday's game. It was a very sensational play and Rothfuss' great speed enabled him to get away with it successfully.

—Casey played third base for Detroit on Wednesday. He made two hits, one a two-bagger, and two runs out of four times at bat. He accepted three chances without an error.

—Brantford and the Pastimes of London broke even at the former place yesterday, the home team winning in the morning by a score of 16 to 6, but lost in the afternoon by 15 to 14.

—Looking over the clubs that have been along here, the Providence team shape the best. The Torontos have a better aggregation than the Greys and will be a factor in the championship race when they get started.

—Thorold opened the Niagara District League season yesterday morning by winning from Welland by 19 to 1. In the afternoon Thorold defeated the North Buffalos, champions of Western New York. Score, 15 to 8.

—Louis Bruce started in to play second in the afternoon game yesterday, but in running to first on a bunt in the second innings he collided with Bransfield, badly bruising his left hand. He was compelled to retire, and "Wally" Taylor, who was nursing a sore leg, finished the game.

—The Varsity and St. Michael's College teams will play on St. Michael's campus to-morrow afternoon to decide the college championship of Toronto. Each team has won one game, and as both have improved since their last meeting the game should be a close one.

SPORTING MISCELLANY.

—Bishop Ridley College games are being held to-day at St. Catharines.

—Entries for the five-mile cross-country race on June 2 close next Saturday with A. Roland Williams, room 509, McKinnon Building. Prizes will be on exhibition at the J. E. Ellis Company, King street east.

—The ten-mile foot race between Dick Grant, the famous American middle-distance amateur champion, and Jack Caffery, the Hamiltonian who showed the [illegible] the best that America could pro[duce ov]er the Marathon course at Boston [last mo]nth, is attracting a wonderful [amount] of interest in Hamilton. The men [ar]e to run over a splendid quarter-mile course at the Cricket Grounds to-morrow afternoon, promptly at 3 o'clock, and, with reasonable weather conditions, there is every reason to look forward to a new American amateur record for the distance.

—The contest for the pair championship of the city of Toronto at whist, begun at the Athenaeum Club Wednesday night, promises to be one of the most interesting events in competitive whist ever held in Toronto. The system employed is the "Howell," under which each pair in the match plays against every other pair, with the general result of bringing out only one pair on top. So far the leaders are Shaw and Wallace, Biggar and Burritt, Armstrong and Wilkie, Fuller and Ledger, Brown and Beeton. It is not necessary to belong to any whist club to take part in these games. All are welcomed.

The Torontos managed to do better in the Worcester series, winning two out of the three games played. To-night they leave for Montreal, where they open to-morrow with Charlie Dooley's first division players. To-day the players went to the Woodbine and bet on the slow horses. They will come back home a week from to-day for a brief visit, and hope to hold a better position in the race than they do at present.

Wednesday's game had a spectacular ending. The Torontos looked beaten in the ninth, with two men out and two runs needed to win, but Bean fumbled Dundon's hard grounder, and the batter reached first in safety. Wally Taylor came along with a beautiful two-base hit to right center, scoring Dundon. Bruce took Taylor's place on the base, and with two strikes and three balls called on him Schaub hit safely to left field. Bruce had gone with the pitch and reached home easily with the winning run. The score:

Morning Game.

Yesterday morning's game was a splendid pitchers' battle between "Pop" Williams and Herky-Jerky Horton, with the odds all in favor of the Torontonian. The locals, however, worked in a combination of wild throws in the sixth innings, and gave the visitors two runs and the game, much to the disgust of the 2,500 spectators. The score.

Afternoon Game.

Over 5,000 people saw Toronto win the afternoon game. The pitching of Alloway and the hitting of Bemis were the features.

Toronto scored in the second on Carr's single and Bemis' two-bagger and Bruce's neat bunt. In the fourth another double by the catcher, a single by Dundon and Schaub's pretty drive brought in two more. Rothfuss started off in the fourth with a corking smash to the center-field fence for three bases, scoring on a long fly. Klobedanz went in in the sixth, and, though Bemis landed the first ball pitched into right field for a hit, no scores resulted. Schaub's single, a sacrifice, a hit by Rothfuss and Bannon's two-bagger netted two more in the seventh. Jimmy tried to score on an overthrow, but was nipped at the plate.

Worcester got one in the second on a hit by Sharrott and Richter's two-bagger. Not until the ninth did they get another counter, and then on Dundon's error, Connaughton's two-bagger, Carr's muff and Rothfuss' wild throw they scored two tallies. The score.

TORONTO SENIOR LEAGUE.

The Crescents go up against the Park Nine Club at 2 o'clock Saturday. Manager Sheppard, of the Crescents, has signed a new twirler, with whom he is going, so he says, to defeat the Park Nines. Scott and Camplin will be the batteries for the Park Nine, and McGarry and Fitzgerald will do the work for the Crescents.

The St. Mary's team play the Wellingtons at 4 o'clock. As considerable rivalry exists between these two teams they will put their best players in the field and a good game should result. Willie Reid, for the Saints, will probably spring a few new curves on his opponents, being supported behind the bat by "Crutchy" Wiggins. Drohan or Mahoney will pitch for the Wellingtons, supported by O'Dea or George Johnston.

Eddie Reid will umpire both games.

BOB OSBORNE'S GREAT RECORD

Do Do II. Won Both 16-Foot Yacht Races Yesterday Easily.

THE NATIONAL REGATTA

Parkdale Club Boats One, Two, Three in the Handicap on the Holiday.

"And she blew, she blew, she blew."

At least that is what the Parkdale Sailing Club members sang about 10.30 yesterday morning as the fleet lay off the Exhibition grounds. It was the next thing to a dead calm, and only one boat, the Typhoon, arrived at the National Club, at Queen's wharf, in time for the race.

Despite the lack of crowd there was a magnificent fleet at the buoy when the gun was fired at 11 o'clock, after an hours' delay, during which every sailor man whistled his hardest for a breeze. A little puff came down the sand-bar, and the bunch started. Dodo II., Bob Osborne's new craft, picked up the slant first, and tramped ahead of the fleet, as if they were at anchor. On the free run from the Island buoy up to the Exhibition grounds Osborne didn't gain much, but on the beat home Dodo the Second walked right away from the fleet. Lady Adeline, of the R.C.Y.C., landed home second, and R. Slee's Caprice, of the O.C.Y.C., third, with Griffiths' Brothers Typhoon, of the Parkdale Club, fourth. Lady Adeline was protested for as over measurement, and was disqualified. She is a 21-footer, according to last year's measurements. Spray, therefore got second place, and Typhoon third. Frank Howard's new boat, Britannia, of the Parkdale fleet, started four minutes astern of the bunch, and at the finish was well up in the fleet. In the afternoon the National Club ran a sealed handicap, and the little Western Club cleared the board. They only had three boats in the contest, and they finished one, two, three. There was a little more breeze. Typhoon got a good "full" at the gun, took a long lead and won by ten seconds. She was a scratch boat. Viva, Walter Patterson's 16-footer, crept away from the bunch on the second lay and took second place. Britannia shook the fleet on the back back to the buoy, but held in a little too close to shore. Howard had to come about just at the finish and shoved across the line just a length ahead of another boat which came up unexpectedly on a stray slant of wind. During the evening the National Club held a lively little dance and concert.

Dodo II. made a record for herself in the afternoon at the Royal Canadian Yacht Club races. With E. J. Phillips' new boat as running mate she trounced the fleet to the Queens' taste. The wind was light for the first half, but freshened up a little. All breezes looked alike to Osborne and Phillips, for they clawed away up into the lead and stayed there as long as was necessary. Dodo II. was 40 seconds ahead of Phillips' boat. Electra, Marriott and Barber's 16-footer, the Red boat of the trio, turned out by Harry Hodson from Mr. J. Wilton Morse's designs, was third, a minute and forty-five seconds away. Then came Spray, of the O.C.Y.C., the property of "Shorty" Hales. Sigma III., E. T. Cuff's boat, the white craft of the one-design trio, was fourth. Hustler, H. C. Strange's 16-footer, from Hamilton, was sixth; E. K. M. Wedd's Cakewalk, seventh, and T. P. G. Turner, Parsons & Gordon's boat, which completes the Morse designed trio, last. The race was four times around the bay triangle, which is one-half a mile to the leg.

F. J. Campbell's sailing dinghy made a runaway race of the dinghy contest. G. E. Gooderham's dinghy was second, and E. Apted's third. The dinghys covered the triangle twice.
