ROYAL CANADIAN GOLF TEAM.

Players to go to Chicago in Quest of the Olympic Trophy.

The Executive Committee of the Royal Canadian Golf Association will meet to-night to select a team of four to go to Chicago on August 7, in quest of the Olympic trophy. The team will be chosen from the following:

Geo. S. Lyon, Lambton.
F. R. Martin, Hamilton.
W. A. H. Kerr, Toronto.
Gerald Lees, Outremont Club, Montreal.
Douglas Laird, Toronto.

The players will also enter in the United States Amateur Championship, which follows the trophy contest.

MONTREAL TO HOLD FRANCHISE.

No Truth in To-day's Report from Harrisburg, Pa.

The Harrisburg, Pa., despatch in to-day's papers, in which it is stated that the Eastern League had offered the Montreal franchise to the Harrisburg Club of the Tri-State (outlaw) League, is a pure fabrication.

Manager Bannon of the Montreal team stated to-day that there was no truth in the story, and that there was no intention to take he team away from Montreal. The attendance there has been surprisingly large and the club owner has no kick coming on the city.

NEW CATCHER FOR MONTREAL.

George Fox of the Outlaw League Will Report To-morrow.

Manager Bannon of the Montreal Ball Club announced to-day that he had secured a new catcher in the person of George Fox of the Altoona, Pa., Club of the Tri-State League. Fox has accepted the terms of the Montreal Club, and is expected to report here in the morning. Fox was with Columbus and the champion New Orleans team. Tom Raub is out of the game with a broken thumb.

DOUBLE-HEADER TO-MORROW.

Toronto and Montreal will play a double-header to-morrow, commencing at 2 o'clock, at Diamond Park.

The Torontos are at Woodstock to-day, for an exhibition game. They took along Greer, an amateur pitcher, to do the twirling after Crystall retires.

NOTHING TO HIT BUT AIR, FALKENBERG A MYSTERY

With Falkenburg on the rubber Toronto had no difficulty in disposing of Montreal yesterday at Diamond Park by 8 to 0. McCarthy, Montreal's best pitcher, was on the slab for the visitors, but was no puzzle to the locals. A couple of errors also helped the Torontos to victory, but Falkenberg pitched a masterly game from beginning to end.

Chief among the features was Soffel's great work around second base. The sturdy little Dutchman played a fine game, some of his quick throws over his left shoulder being simply marvelous as to direction. Your Uncle John Toft evidently thinks its quite a holiday to play first base. He makes everything easy, and his judgment is faultless.

The Montrealers only hit one ball outside the diamond, and Murray caught that, so someone suggested that in future the Toronto outfielders be charged admission to the grounds on the day Falkenberg is slated to pitch.

Weidensaul made a great one-hand stop of Harley's hit over second in the first, but could not recover quickly enough to get the runner at first. Soffel made his usual long drive to the center field fence, and Murray and Falkenberg also hit the ball on the nose. Umpire Moran umpired a good game.

In the first, after White had flied out to short, Harley singled, and Murray got a life on Hartman's error. Then Soffel drove one to deep center for three bases, and two runs scored. Carr struck out, and Magoon drew a base on balls. Magoon started to steal second, and Buss threw to catch him. Soffel ran for the plate, and Miller, running in, caught the ball and returned it, but Soffel beat it out; Magoon also reached second. Toft's out retired the side.

Four more runs came in the fifth. Falkenberg singled, White bunted, but Lachance dropped McCarthy's throw, and both runners were safe. Harley drew a base on balls, Murray singled, and Falkenberg and White scored. Soffel sacrificed, and Carr struck out. Then Magoon drove a liner to right that Meaney allowed to get through him, and Harley and Murray scored. Toft hit to pitcher, and retired the side.

Toronto's last tally came in the seventh. Murray and Soffel both singled, and Carr sacrificed. Then Magoon hit to Hartman and was retired at first. Murray wisely did not move to go home, and as Soffel ran up too far, Lachance threw to second to catch him. Murray then ran for home, and Miller tried to head him off, but his throw was late. Soffel again took a long lead, and a good throw would have caught him at second, but Buss threw too high. Despite his efforts Soffel was left at second, the next two going out.

DIAMOND SCULLS IN RECORD TIME

F. S. Kelly Beat Lou Scholes Mark by 13 Seconds in Final for Trophy.

London, July 6.—F. S. Kelly of Oxford easily beat H. T. Blackstaffe of the Vesta for the Diamond Sculls, in 8 minutes 10 seconds, which establishes a new record for the course.

Kelly, as will be remembered, was defeated by Lou Scholes in the semi-finals for the Diamond Sculls last year by four lengths, in 9 minutes and 11 seconds. In the finals last year Scholes defeated A. H. Cloutte in the time of 8 minutes 23 seconds, making a record. This is the third time Kelly has won the Sculls. His previous wins were 1902 and 1903. The record:

CANADA'S NATIONAL GAME.

—Kincardine beat Listowel 8 to 3 in a junior C. L. A. match yesterday. The game was free from roughness, and Referee Lambert of Mount Forest had an easy time, only three or four being penalized. In the third quarter Wettaulfer of Listowel got a bad cut on the lip and had to retire, Bert Cuyler going off to even up.

—The Chippewas will send their strongest team to Brantford to-morrow to play a championship match.

—A game was played at Stayner yesterday in the intermediate series between Stayner and Thornbury-Clarksburg, which resulted in favor of Stayner, by 12 goals to 6.

—At Dundalk yesterday Shelburne beat the home team in the intermediate C. L. A. series by 3 to 2. The game was a very good exhibition of lacrosse, although rough at times. The quarter was very close, neither team scoring. By winning this game Shelburne have every chance of landing the championship.

—A good game of lacrosse is assured in the senior series of the Toronto Lacrosse League to-morrow afternoon, on the Maitland grounds, Cottingham street, when the home team meet Weston, the only other unbeaten team in this series. Both teams have been playing clever lacrosse, and this will be a test between the leaders.

—The Parliaments will take the following team to Oshawa to-morrow: Goal, McCribbin, point, Trickey; cover-point, Thompson; first defence, H. Carlow; second defence, Johnson; third, Beaton; center, Mayo; third home, Truax; second home, James; outside, Farquharson; inside, J. Carlton. BASEBALL BREVITIES.

—Bill Dyer has signed as shortstop with Springfield, which is leading the Connecticut League. Toronto made an offer to Dyer, but the terms did not suit him.—Montreal Gazette.

—Foster, Newark's new backstop, is a college boy, hailing from Olean, N.Y. He made a favorable impression. His throwing wing gives promise of becoming a trouble-maker for opposing base runners.—Newark News.

—Now that Rube Grimshaw has been taken from the regular line-up in the Boston Americans, it is said that there is a possibility that he may come to Buffalo. Manager Stallings does not need a first baseman, but Rube would be valuable anywhere for his hitting. He could be used in the outfield, where he performed for two seasons for Buffalo.—Buffalo Times.

—The Brooklyn outfit, as now made up, seems about the weakest team the National League has had for some years.

—The hit and run game is the hardest kind of a play to break up with men who know their business on bases and at the bat.

—Chicago leads the National League in stolen bases, while the Cincinnati Reds have made more sacrifice hits than any other club.

—Ollie Pickering, who was turned loose by the Philadelphia Athletics, is the most sensational fielder in the American Association this season.

—Malachi Kittredge is leading the American League catchers in fielding. In all other departments the Washington Club is away in the rear.

—Bob Emslie got such a rap on the shins at Philadelphia from a foul ball that a surgeon had to dress his leg before the game could be resumed.

—In a Haldimand County League game at Jarvis yesterday, the home team beat Hagersville by 13 to 5. at Caledonia Dunnville defeated the home team by 19 runs to 3.

—Two Western Ontario Baseball League games were played yesterday. Brantford beat Simcoe 14 to 3, and Ingersoll won from Woodstock 3 to 2.

—Grimshaw of Boston is on the bench, and Freeman is playing first base.

—The following Park Nine players are requested to meet at the Wellington Hotel at 1.00 p.m., to-morrow for the Wellington game: Sinclair, Wray, Williamson, Stevens, Culley, Allen, Purtell, Hunking, Creller, Ingoldsby, Hudson, and others.

—The Toronto travelers will go to Hamilton a week from to-morrow to play the Hamilton travelers for the cup won by Toronto last year.

—The following named players will represent the A. O. H. ball team in their league game with St. Basil's on St. Michael's College campus at 4 o'clock on Saturday afternoon: Daly, Cassidy, Murphy, Judge, Kavanagh, Dean, Dowling, Ryan, Quigley, Hallinan, O'Neil, Dillon. All players are requested to meet at Queen and Parliament not later than 1.45 o'clock.

ROWING REGATTA TO-MORROW.

The Toronto Rowing Club's midsummer regatta will be held to-morrow afternoon at the Island.

SIDE-LIGHTS ON SPORT

Pat Murphy is in Brantford looking for a job, and the Brantford papers have commenced an agitation to have repealed the C.L.A. rule that a senior lacrosse player, after being released by one team, cannot play with another during the year. Pat, you'll remember, played one game with St. Kitts at the Island and then the Athletics let him out.

If the Vespers are seeking real fame let them come to the Canadian Henley at St. Catharines, August 4 and 5. It's dollars to doughnuts they couldn't win there either, but they might get into the finals.

Apparently the best Rochester can do with Buffalo is to make it close, with additional heart-breaks for extra innings.

Whitewashing Done by The Day or Week. Apply Fred Falkenberg, care of Toronto Ball Club.

The Canadian tennis championships at Niagara were postponed indefinitely because there were no Americans present. This is pretty nearly the limit.

After all, the firemen find it more profitable to play the hose than the horses.

It is said that a downtown policeman refused to stop a runaway horse because he thought it was a nag he had bet on.

Mr. Kelly may have beaten the time made by Lou Scholes at Henley, but Canadians have the satisfaction of knowing he couldn't beat Lou Scholes.

Dom Pedro, not so very long ago one of the best steeplechasers at Woodbine, now drags a vehicle on Coxwell avenue from the street cars to the Toronto Golf Club. He is not strong enough to work in a milk cart, where he did service for ten years. While on the milk route some years ago he developed some of the old-time spirit, and was raced at Woodbine, winning four steeplechases off the reel. Afterwards he was sold for $8, and the harness was worth $7.99.

The Montreal Herald is always handing out bouquets to the ball club. The latest: "Catcher Gibson has been sold by the Montreal Baseball Club, and so has the Montreal public. Any time Kreitner does not give us the knife when he has the chance, we'll get out an extra edition."

A correspondent asks if Lou Scholes won the Diamond Sculls easily at Henley last year. Like Kelly did.

The man who patronizes the floating pool-room will always be among the *breakers*.

Of the American invasion of athletic England, the only survivor is Miss May Sutton, and her time will come to-morrow.

There's a brisk demand for good umpires in the South. As fast as they come up they are placed on the ailing list through the instrumentality of bricks and pop bottles. In the Eastern League their feelings are injured by verbal brick-bats.

Umpire Johnstone of the National League sports a new style mask that excites amusement every time he dons it. It differs from the ordinary implement only in the fact that it has huge earlaps that stick out from the head at a great angle, giving him the appearance of the famous "Yellow Kid" of old. It is a great protection, however.

The Buffalo News prints a little original dope on Kenilworth races as follows: Carrie Graham Depends on Bert Arthur, The Bugaboo Taxer from Evaskill, to Wire In for Dave Lewis the Yorkshire Lad and Dr. Squill of Greencrest. Ruby Helmstead to Follow On. They Stepaway to the Derby at Southampton, and being Punctual at all times they beat the Stroller. Gay Lizette, Mirthless, and Crestfallen let a War Whoop when they read Merry Belle's name on the program. Revenge was sweet for the Wee Lass, and, together with Bobby Kean and Sandy Andy, they shot, Rocket-like, Away for Judge Parker.

"Keep your tank full," is the advice of an old chauffeur. Perhaps that explains the light attendance at the ball games at Diamond Park.

However, it must be admitted that the Montreal ball players get a lot of good exercise throwing the ball around the field.

SAILING RACES TO-MORROW.

Queen City Yacht Club Regatta—A Cruise to Port Credit.

To-morrow promises big doings in and around the bay. All the yacht clubs have big events scheduled.

The Queen City Yacht Club is holding a big regatta, and if the day is fine will have about forty boats on the racing course.

The event of the Queen City program will undoubtedly be the dinghy race, which is an open event. There are a score and a half ambitious dinghy sailors all anxious to lift the scalp of Frank Howard, the Lake Sailing Skiff Association champion, and they will have their chance, for Howard will again be found, with Jim Douglas' dinghy toddling around his club course. All the clubs have entered their fleets, and if all turn up there will be at least forty boats in the race. There were 32 at the same race last year. In addition the club's first-class fleet will be busy racing and chasing, and so will the specials. An effort is also being made to have the mackinaws sail off their postponed event. The races will start at 2.30.

At the R. C. Y. C. the fleet will be sent around the Island in two divisions—a handicap—and the 30-footers will hammer away at each other. These races will start at 3 o'clock.

The National fleet will cruise to Port Credit in a handicap, starting at 2.30.

SUNLIGHT LEAGUE TO-MORROW.

Two good games every Saturday afternoon should result from the league contests at Sunlight Park from now on to the end of the season.

The teams are all strong, evenly matched, and are out to win. The program for to-morrow afternoon is as follows: At 2 o'clock, I. C. B. U. v. Marlboros; at 4 o'clock, Royal Canadians v. Strathconas.

TECUMSEHS AND ST. KITTS.

Sporting Editor Star: Have the Tecumsehs won a game in St. Catharines during the past four years? Enquirer.

Yes. Tecumsehs beat the Athletics last season 3 to 2. St. Kitts claimed to have tied the score, but the referee said it was aftr his whistle had blown. The referee's decision was sustained by the C. L. A. Council when the Athletics protest was considered. Tecumseh were awarded the match.—Sporting Editor Star.

KELLY AND LOU SCHOLES.

Sporting Editor Star: Did Kelly finish his race with Scholes at Henley last year? Did he faint before the race or after? What was his time? Star Reader.

Kelly fainted in his boat 25 yards from the finishing line, and did not finish. Scholes' time was 9.11. A terrific pace was set for the first mile. Scholes said to-day that Kelly has wonderful speed for a mile, and the only way to beat him is to stay with him and make him quit.—Sporting Editor Star.

SEAWANHAKA CUP CHALLENGERS.

Montreal, July 6.—The two boats built by the Manchester Yacht Club for the purpose of trying to capture the Seawanhaka Cup are at Dorval. The boats will have their first sail on Saturday next. The boats look as though they would be fairly dangerous in a strong wind, and like most of the challenging boats in the past, have evidently been built for the purpose of sailing in a good blow.

People Are Changing

There was a time when people spent their money for tooth powders, face lotions, hair tonics, etc., but never thought for a moment of their poor feet, which had to bear the weight of the whole body day after day. The feet could sweat, blister, and agonize, and people thought all this was necessary. Since the introduction of Foot Elm, however, many have learned how to change foot misery into foot happiness. It eases work. Try Foot Elm.
