GOLFERS AT LAMBTON Messrs. Hilton and Hunter Won From Canadians

SPLENDID EXHIBITION OF GOLF BY HILTON AND HUNTER

English Players Defeated Lyon and Martin At Lambton On Saturday, Part of the Match Being Played Through a Heavy Rainstorm—Features of the Match.

CRITICAL REVIEW OF PLAY ON BOTH ROUNDS

By "LEW" BROWN.

Harold H. Hilton, of Manor Golf Club, Ashford, Middlesex, England, and Norman Hunter, his golfing companion, defeated George S. Lyon, of Toronto, and Fritz Martin, of Hamilton, in a four ball game at the Lambton Golf Club Saturday, winning the match at the twenty-sixth hole, being eleven up and ten to go. The match was thirty-six holes, eighteen in the morning and eighteen in the afternoon. Hilton is the holder of the United States amateur golf championship, which he won last year, and is now on his way to defend it at Chicago in September. He won the amateur championship of England in 1900 and 1901 and last year, but was eliminated in the semi-finals this year. He also was English open champion for two years, and was the Irish amateur champion for four years.

Their Record in Canada.

Since landing in Canada Hilton and Hunter have played four matches, three of which they won, and one was lost. They played the Murray brothers of Montreal (professionals) and beat them. They then journeyed to Ottawa and played Gerald Lees, amateur, and Carl Keffer, the local professional, defeating them in a very handsome way. Their first defeat came the next day from Davy Black (professional) at Rivermede Golf Club links and Carl Keffer, but their decided win on Saturday covers this slight eruption on their scoring card. On Friday Mr. Lyon and Mr. Hilton played Barrett and Mr. Hunter eighteen holes, but Mr. Hunter played sensational golf, and he and Barrett succeeded in winning with one to the good. Since coming here Hilton has been worried as to his form, but it does not seem a bad record, considering the Englishmen never played on these courses before, and meeting men of Al calibre, who practically know every blade of grass on the course.

The Styles of the Players.

The game on Saturday started at 10.45 a.m., and the outlook for good weather was pretty black, still a gallery of about 150 followed them and viewed with increasing interest every move of the players. Hilton stands about 5 feet 5 inches in height, and is not so very sturdily built. But what he lacks in stature he makes up in self-assurance, and his play is full of snap and action. Hunter is a tall, thin man, and his play is characterized by the same animation as that of his partner. Hilton in driving hardly ever follows through, usually finishing about three-quarter ways.

Hunter drove Lyon and Martin on nearly every shot, and his iron shots were just as good as Lyon's or Martin's at any time. Hilton is very accurate with his iron shots, and received round after round of applause for his unerring accuracy on some very difficult shots. Martin seemed to be suffering from nervousness, and the first round developed into a three-ball match, with Lyon fighting tooth and nail to hold their best ball.

Lyon Started Well.

Lyon started well and annexed the first in three. The rest holed in four. One up for L. and M. Lyon holed a perfect three for the second, which made them two up. The third was halved in four, after all playing good approaches. On the fourth Lyon's drive stopped in the side of the bank, and Martin's second went into the creek. Lyon finished in five, but Hilton negotiated a four, leaving them one up.

At the fifth Hilton used a spoon on his second, and hooked it into bunker. Martin drove out of bounds and Lyon muffed his second and third and was short. Hunter won with a five. All square.

Long Driving Here.

The sixth saw some long driving, and Lyon and Hunter with perfect brassie shots reached the green on their seconds. The hole was halved by them in four. All square.

Hilton drove into creek at the seventh and picked up. Hunter's second was short, and went down in four. Martin missed an easy three, and halved in four. All square.

Martin sliced into creek and topped second at eighth, and did not play out. Lyon pulled into trees and took five to go down. Hilton won in four. One up.

Ninth—Lyon sliced and got into trouble, but Martin halved with a four. One up.

Visitors Took the Lead.

Tenth—Hilton holed a 25-foot put for a four and won. Two up, and from here on it was a procession, and Martin succeeded only once in stemming the tide.

Eleventh—Hunter won in four, when Lyon and Martin missed easy fours. Raining hard now. Three up.

Twelfth—Hunter won with a three after some bad putting on Lyon's part. Four up.

Thirteenth—Hunter drove into bunker, but Hilton came back with a three and won. Bogey four. Now five up and five to go.

Fourteenth—Hunter annexed the next in four, putting them six up and winning the first round in six up and four to go.

Rain Chased the Gallery.

Rain now coming down furiously and gallery is making a bee-line for club house.

Fifteenth—Hunter got into trouble and Hilton did some bad putting, and Martin won in five. Five up.

Sixteenth—They all took six and was halved. Play was suspended until after lunch on account of the rain, which was coming down in torrents. Play finished with Hilton and Hunter five up.

The Afternoon Play.

After lunch the sun came out, and things began to assume a brighter aspect. The ladies turned out, and their golfing jackets and numerous colored dresses lent some color to the scene. The gallery was augmented by another hundred people, including his Worship the Mayor and City Clerk Littlejohn. Dixon was on hand and kept his men busy with the ropes keeping the crowd off his beloved greens. The greens are in superb shape, and he certainly deserved all the praise he received for their condition. The recent rains have made a big impression on the turf at the fifteenth, and, as one member said, it was a "Godsend." Numerous local professionals and assistants were among the spectators. The players started at the 17th, which was halved in four, five up.

18th—After some hole high drives by Lyon and Hunter it was halved in four. Five up and finish of first round.

A Brilliant Round.

The second round was a brilliant game of golf as far as Hilton and Hunter were concerned, with Lyon and Martin flashing in and out with some spectacular work.

First—Hilton won with a perfect 3, bogey 4. Now 6 up.

Second—Hunter and Martin halved in four.

Third—Hilton won again in three, bogey 4. Now 7 up.

Fourth—Lyon and Martin both put seconds below bank of creek, and Hilton and Hunter won in four. 8 up.

Fifth—Martin pulled into rough, Lyon short on second, and Hilton won in four. 9 up.

Sixth—Hunter won in 5 when Martin missed on eighteen-inch put. 10 up.

Sevents was halved in four by all. Now ten up and ten to go.

Eighth—Hilton won in four and the match, making them 11 up and 10 to go.

Ninth—Hilton holed fifteen-foot put for a three and won. 12 up.

Tenth—All missed fours by inches, and was halved in 5.

Lyon Won This Hole.

Eleventh—Hilton drove into the rough and was short on second, and missed his third, taking five to go down. Lyon won in four. Eleven up.

Twelfth—Lyon and Hilton halved in three.

Thirteenth—Lyon and Hilton halved in four.

Fourteenth—All halved in four, after putting over small pools of water, which were standing on the green.

Perfect Approaching.

Fifteenth—Martin was short on second, but took brassie and put in the bowl, and received generous applause. After some perfect approaching the hole was halved in five. Applause was given each player as he put his approach dead.

Sixteenth—All halved in six.

Seventeenth—All halved in four.

Eighteenth—No one was on the green. Lyon laid approach dead and won with three. Ten up.

Hilton and Hunter beat them five up in each round, and Hilton turned in the only score on the day, owing to the fact that the others picked up their balls at one or another of the holes during the round.

Brilliant Work by Players.

As the game ended, rounds of applause greeted the players, and the players were presented to the Mayor.

At the fifth hole in the morning, Hilton was short on his second and a deep ditch was between him and the green. Nothing daunted, he took his niblick and laid his approach dead. That is the kind of golf that makes a champion, and his sensational putting had his opponents on edge at all times. Hunter at the sixteenth, was lying in a cup, and where another man would naturally take an iron he ploughed a brassie underneath it and went just as far as any of them.

After the game, when questioned, they refused point blank to talk, to discuss the game, or their chances of winning at Chicago.

JIM CORKERY MAY JUMP TO NEW YORK

Bronx Church House Is After Him—Think Him a Wonder.

Canada may lose Jim Corkery, the winner of this year's Polytechnic Marathon in England.

Corkery is flirting with New York, and may join the Bronx Church House Club, where Harry Smith, Frank Ruggero, and Johnny Stack do their training.

Over in New York the experts think Corkery a wonder, and predict a grand career for him at 10 and 15 miles.

TED WOOD OFF FOR NEW YORK.

Ted Wood, the Toronto runner, will drag himself away from the "ham and—" his new "eats house" at 400 Queen street west, long enough to jaunt to New York on Labor day for the Caledonia games, where he will run in the three and five-mile races. Wood, who has been too busy to train much, decided to-day to go, after he learned that Billy Queal was going to Boston. Perhaps Tom Longboat, who tried to hold up local promoters for 30 per cent. of the gross, win, lose, or draw, will take a chance and go down where the prizes are $126 for the first and pay all your own expenses.

RAIN SPOILED BIG AMATEUR GAMES.

The games scheduled in the Northern senior, Beaches senior, City amateur, Toronto senior, and Don Valley leagues were called off Saturday owing to the rain.

Wellingtons lead the city amateur, Eatons the Beaches, and Baracas the Toronto senior league.

ORILLIA HOCKEY TEAM TO VISIT ENGLAND. AFTER NEXT SEASON.

The Orillia Hockey Club, runners-up last year for the junior championship of the O. H. A., will make a determined effort to win out this coming winter. Arrangements are already being made for a tour of eight or ten weeks in England, following the O. H. A. season, but, of course, the Orillians wish to go as champions. The arrangements for the English trip are in the hands of John C. Miller, who took a Canadian amateur lacrosse team around the world some years ago.

GRACADA OF R.H.Y.C. WON THE Q.C.Y.C. 16-FOOT CLASS TROPHY

Hamilton Flyer, Champion of L.S.S.A., Adds Another Cup to Judd's Collection.

WIDGEON CLOSE UP

Twenty-eight Starters In Dinghy Race—Q.C.Y.C. Annual Affair Was Lively.

"The best regatta we ever held," remarked Rear Commodore Fred Holmes of the Queen City Yacht Club, to-day. "Certainly the best competition and the liveliest crowd we ever had," put in Commodore Merwin Armstrong and Jack Nicholls, Harry Turner, "Col." Loe, Dick Humphries, and other hard-working officers all agreed.

They referred to Saturday's regatta, an annual affair of the club. A shifty, squally, wind made things interesting.

The Royal Hamilton Yacht Club sent down a contingent, headed by Rear Commodore Sam Vila and Billy Judd, and they went back with the 16-foot skiff cup, won by Gracada, the L.S.S.A. champion, but the hat work fell out to boat Widgeon, a new untried 16-footer from the Royal Canadian Yacht Club. To every one's surprise the Alexander Yacht Club's pair, Banks and Barnes, were third and fourth, and the best the National Yacht Club champion Topsy could do was fifth. There were sixteen entries and 10 starters. While Hope, of Hamilton, upset at the eastern buoy.

In the dinghy class, out of 45 entries, there were 28 starters. G. W. Alexander, the crack R.C.Y.C. small boat skipper, won with Tommy Turrall, of the Nationals second, and Jim Douglas, the T.C.C. crack, third.

In class A Verona won handily, and so did Naomi in class B, but in class C Ruth and Clip had a merry struggle. The results:

TORONTO LACROSSE PLAYER BACK ON A VISIT.

Walter Atton, of New York, for four years goal tender for the Toronto Lacrosse Club, is back in town on a two weeks' visit. He is staying with Frank Laura. Atton, who was with the Torontos in 1908-9-10, saw Saturday's Toronto-Tecumseh game, and was, of course, delighted with his old comrades' victory. He is not playing the game now, though at that he turned out and kept goal for Bobby Graham's Tourists against New York Crescents.

FREDERICTON PLAYER FOR PROVIDENCE.

Special to The Star.

Fredericton, N.B., Aug. 26.—P. J. Duggan, the manager and centre fielder of Fredericton club leaders in New Brunswick and Maine league, has been signed by Frank J. Navin, and has been ordered to report to the Providence Club of the International league on September 2. He is batting .336.

TECUMSEHS GAVE TORONTOS A BIG SCARE AT BEACH

Indians Made a Great Finish, and Had Coming Champions In a Corner.

NATIONALS WON FROM THE IRISH

New Westminster Made Minto Cup Sure By Beating Vancouver Again.

Almost, but not quite! The Tecumsehs gave the Torontos a big scare at the Beach Saturday, when they came along with a burst of last year's form and played the Blue Shirts off their feet in the last quarter of a fast, exciting game. The final score was 7 to 5, and it was the Indians' eagerness to tie the score when it stood 6 to 5 that resulted in their downfall.

With everybody down on the Trolley Cars' net, Kinsman was left alone when Warwick and Longfellow broke away from the crowd around their own goal, going down with all the Braves behind them, thus giving the Torontos their final lead of two points.

Smooth Work by Torontos.

The coming champions started off with their smooth team work, that has landed them on top, and Donihee and Kalls each rang the bell before quarter time was called. The Indian defence, especially Lawson Whitehead, who is filling Graydon's place, played good lacrosse, but the home could not get started, and their passing was very bad at times.

From the face-off in the second period the Indians broke loose with a rush on Gibbons, and before the Blue Shirts got started Big Chief Querrie had bulged the net for the Indians' first. The Torontos then settled down to work, and Barnett scored from the second face-off in 58 seconds. They kept hammering away at the Indian defence, and Kalls registered another before half-time.

The third chanter opened with three counters in a row. Kalls lulged the nets from the face-off. Whitehead went down from the defence, and banged in the Indians' second a moment later, and then Buck Marshall, not to be outdone by the Indian defence man, got away from behind the Toronto nets and hung up the Blue Shirts' sixth. Then the fireworks started. The Indians began to play the Blue Shirts hard, but only reached the nets once before the three-quarter bell sounded.

Tecumsehs' Strong Finish.

The Braves hit the warpath when they trotted out for the final period, but with the score 6 to 3 against them it looked impossible. So sure were the Torontos of the game, that Eddie Powers retired to give Tommy Fitzgerald a chance. Right from the blow of the whistle the Indians cut loose, showing a world of speed, and keeping the ball around the Toronto net the most of the time. It looked like last year's champs instead of the 1912 tail-enders that were playing the Torontos off their feet. Querrie led his band in cheering them on, and working himself as if his life depended on it. Felker got the Indians' fourth after one minute of play. Then Joe Gorman, who had been off color all day, came to life and went in with Querrie. Gibbons blocked the shot, but failed to clear, and as Gorman took a header over Harshaw's stick he batted the rubber in for the Indians' fifth.

Bunched Around the Net.

With the crowd howling for the Braves to tie it up, Querrie led his men back with the attack, but the Torontos bunched around their net, and there was nothing doing. Gibbons had a busy time with shots from all sides, and the defence men couldn't keep the warriors back. Then came the big mistake. The whole Indian defence went down to help the home defence in their efforts to tie up the game. Kinsman was but an interested spectator, when suddenly Warwick broke away from the crowd. Two Indians followed, but Longfellow was there for the pass and easily put the final tally past Kinsman when the goaltender ran out.

Kalls All-round Star.

Kalls was the all-round star of the game. The little fellow showed a world of speed and played his best game of the season. The teams:

FRENCHMEN BEAT IRISH.

Montreal, Aug. 26.—Nationals took their last scheduled game from the Irish-Canadians Saturday by 11 to 4. The first half and the last quarter were productive of good lacrosse. The third period was a farce. In this session the Frenchmen ran in seven straight goals. In the second quarter they were also the only team to score, but only netted two. In the first and last periods Kennedy's men outscored them.

George Roberts and Gauthier got $10 fines, while Decarie was twice fined $5, and Cattarinich, Aspell, Degan, and Gagnon each got $5 fines. The line-up:

Nationals — L'Heureux, Cattarinich, Duckett, Decarie, Clement, Lachapelle, Degan, Dulude, Gauthier, Pitre, Lamoureux, Houllanc.

Irish-Canadians — Brennan, Neville, Gagnon, White, Aspell, Munday, Kane, Layden F. Scott, H. Scott, George Roberts, C. George.

Referee, E. St. Pere; judge of play, "Pick" Lillie; umpires, Messrs. Larose and Labrecque.

A WIN FOR MONTREAL.

Montreal, Aug. 26.—Montreal had all the better of the first two quarters against the Shamrocks, and defeated the tail-enders by 7 to 5 on Saturday. Line-up:

Shamrocks (5)—Valliers, Clingen, McMullen, Doran, Allman, J. Quinn, Ellard, Munroe, Penny, O'Brien, Butler, McIntyre.

Montreal (7)—Fyon, Thomson, Finlayson, O'Kane, Brady, Kenna, Rafferty, Molloy, McDonald, J. Hogan, F. Hogan, Walsh.

Referee—Roy Taylor. Judge of play—Eddie Robinson.

TECUMSEHS HAVE PROTESTED SATURDAY'S GAME AT BEACH.

The Tecumseh Lacrosse Club have protested Saturday's game at the Beach.

During the first quarter Felker of the Tecumsehs scored a goal which the goal umpire would not allow, and Charlie Querrie of the Tecumsehs asked Referee McIntyre to stop the game and remove the umpire. Mr. McIntyre did not do so until after Torontos had scored at the other end, when the Tecumseh team had quit playing. The Tecumsehs claim that they should have come out of the first quarter with the score a tie at one all, instead of 2 to 0. The Tecumsehs feel that they owe it to their friends to protest, as while the goal umpire may have thought he was right, they claim Referee McIntyre should have stopped the game.

FLEMING'S BOUT WITH EDDIE O'KEEFE IS OFF

But Clever Toronto Boy Gets a Crack At Tommy O'Toole.

Frankie Fleming, the Toronto featherweight, who was matched with Eddie O'Keefe for Sept. 26 at Madison Square Garden, left for New York to-day a very sad boy.

His bout with O'Keefe has been called off, O'Keefe will battle Johnny Kilbane on September 17.

"I figured to beat O'Keefe and got a crack at Kilbane," said Fleming to-day. "Now I will have to get O'Keefe again and then go after Kilbane. I have accepted a bout with Tommy O'Toole at Philadelphia on September 2. I meet him at 124 pounds ringside, two pounds more than my weight, but I think I can beat him alright."

O'Toole won and lost with Billy Allen, the Ottawa boy.

ROSEDALE BEAT EATONS IN CITY LEAGUE CRICKET

Baines and Heath Bat In Fine Style, and H. G. Wookey Does Fine Bowling.

TOR. AND SAINTS DRAW

Heavy Hitting Performance By P. E. Henderson—Simpson's Defeat St. George's.

By E. S. JACKSON.

Although the match on Saturday in which the Rosedale and Eaton's City League teams were the opposing elevens did not start till after three o'clock, the sodden state of the ground rendering it necessary that a new wicket should be prepared, a one-inning game was concluded two minutes before the time fixed for drawing stumps. This was due to the excellent bowling of H. G. Wookey.

The Rosedale's captain's four wickets for 21 runs contributed largely to the Eaton men being all out within the hour for sixty. Although Thorne, Heath, and the brothers L. and F. Adgey bowled well, Rosedale played a capital innings, hitting up 137 before the last wicket fell. G. M. Baines again displayed superb cricket. H. S. Reid and J. Bell were each unlucky when they had scored 13 apiece. Then three wickets fell cheaply, and it looked as though Eaton's were about to duplicate their performance of the previous league match when they got rid of Rosedale for a small score. But Skipper Wookey, having regard to the lateness of the hour, gave his men orders to get runs or get out, and Wilfred Swan and W. H. Wookey responded nobly. By vigorous hitting they quickly took the score from 85 to 129. Swan made his 21 with the aid of four fours, and Wookey, when the inning eventually closed for 137, being not out for 30, his chief hits being half a dozen boundaries. Mullins in 18 overs obtain four wickets for 40 runs; Thorne's two wickets cost 40; Heath's four overs realized 21 for one wicket, and Leslie Adgey sent down five overs, bowled one maiden, and took three good wickets at a cost only of 12 runs. With only an hour to play Eaton's commenced batting, a draw seemed certain, especially when Heath and Thorne soon became set, and retained their partnership for over half an hour. Heath was in great form, hitting freely all round the wicket, and with four fours and two threes, making 28 before Baines bowled him. With Thorne and the West Indian out of the way, there was nothing more to the game except good bowling and very low scores. Seven wickets fell for an equal number of runs. Wookey being absolutely unplayable towards the latter part of the inning. His analysis read ten overs, five maidens, 21 runs, and four wickets. Tom Swan got a couple for 12, and Baines had two wickets for eight.

Simpson's at Oshawa Score a Win.

Simpson's C. and M. League team went to Oshawa on Saturday, were loyally entertained by the St. George's Club, and came home with another league victory to their credit. St. George's scored 48 and Simpson's put up 50 for five wickets.

Parkdale v. Riverdale a Fizzle.

Parkdale and Riverdale should have played at St Andrew's College grounds. Very few members of the respective teams turned up, the impression prevailing that the game would be off on account of the rain. Those present engaged in a six aside match, and a couple of hours of good practice was indulged in.

Toronto and St. Alban's Draw.

Toronto's match with St. Alban's, which did not start till 3.30, was a draw, in favor of Toronto, who went over the hill to Bracondale to play it. The visitors batted first, and made 135, declaring their innings closed with eight wickets.
