HEAVY FIELD AT OTTAWA FOR ARGONAUT GAME

Conditions Will Put a Handicap on Speed in To-day's Great Struggle.

ALERTS COCK-SURE OF BEATING TORONTOS

J. B. McArthur and Frank Park to Handle McGill Game at Queen's.

A heavy field at Ottawa will slow up Argos, as well as Ottawa. The Carsmen have some speed, too.

Ideal weather conditions prevail today in Toronto for the rugby games.

The Alerts expect to trim the Torontos easily in Hamilton to-day, also the winners of the Ottawa-Argo game. There shouldn't be any market for nerve food in Hamilton.

J. B. McArthur and Frank Park of Toronto will be the officials in the McGill-Queen's game to-day at Kingston. Hugh Gall had another engagement, and Secretary Jack Maynard made the appointment.

It poured rain all day yesterday in Ottawa. Sleet and rain set in last night, and it looks as if the field would be heavy and the "going" slow for the Argo game to-day.

"Doc" Galvin is very secretive about the personnel of his Ottawa team for to-day, but this is about what the line-up will be: Flying wing, McCann; backs, Robertson, Gerard; centre, Fleming or Williams; quarter, Spelling; scrimmage, Kuhn, Emmerson, and Phillips, insides, Vaughan and Black; middles, Megloughlin and Kilt; outside, Ryan and Hickey.

The Argonauts left for Ottawa last night at 11.40 with a large bunch of rooters.

The Varsity line-up for to-day's game with R.M.C. will not include Jack Maynard, but will be as follows: Flying wing, Gage; halves, Cuzner, Gonter, Webster or Crawford; quarter, Campbell; wings, Sinclair, Clarkson, Cory, Clark, Taylor, German; scrimmage, Pearce, Bell, Brown or Curtis.

Ben Simpson and Tommy Riddell will handle the Ottawa-Argonaut game at Ottawa to-day.

St. Andrews III. beat Upper Canada III. yesterday afternoon by 15 to 4 on the latter's grounds.

Yesterday at Hamilton the Highfield School team were beaten by St. Andrew's College by 20 to 4.

The likely line-up of the Queen's team against McGill this afternoon will be: Pound, full-back; Macdonnell, Hazlett and Erskine, halves; Sparks, quarter; McLaughlin, Smith, and Ellis, scrimmage; P. Kennedy, Elliott, McIlquaham, Pilgrim, Kennedy, and Rodden, wings. Three changes are shown in this line-up, Reid, Sliter, and Dunlop being on the injured list.

The appointment of Ben Simpson and Tommy Riddell as referees has tickled the Ottawas and Dr. Galvin says that they will surely down the Argonauts, and thus take a strangle hold on the interprovincial title. Dr. Galvin plans to use sixteen or seventeen players during the match. Gerrard and McCann will play, despite their injuries.

Crossen Clark, the Dundas half-back, who is going to Varsity, was taken along to Ottawa last night by the Argos, and may be used to-day against the Rough Riders.

LEADING FOOTBALL MATCH OF THE YEAR

Princeton and Harvard Meet on Soldiers' Field—Games Cancelled.

Special to The Star.

New York, Nov. 2.—Considerable interest to-day at Cambridge, where the clash between Princeton and Harvard was regarded by many as the leading football match of this year. The calling off of the games at Yale, West Point, and Annapolis, left only a handful of other games worthy of note on Eastern gridirons. These contests included.

Pennsylvania vs. Penn. State, at Philadelphia.

Cornell vs. Williams at Ithaca.

Carlisle vs. Lehigh at South Bethlehem.

Brown vs. Vermont at Providence.

Dartmouth vs. Amherst at Hanover.

Syracuse vs Rochester at Syracuse.

Layafette vs. Buckneed at Easton.

The teams of West Point and Annapolis did not play to-day on account of the death of Vice-President Sherman, while the Yale game was called off on account of the death of one of the players.

THREE GAMES IN THE MULOCK CUP RUGBY SERIES

Senior School, Victoria, and Trinity Won Games Yesterday.

MOST EXCITING CONTEST OF SERIES

Senior Meds. Gave School a Great Scare — Dents Made It Close With Victoria.

Three Mulock Cup games were played yesterday at Varsity, the scores being as follows:

Senior School..... 8 Senior Meds..... 7
Victoria College.... 6 Dental College .. 3
Trinity.....21 Wycliffe 0

Senior School defeated Senior Meds yesterday by 8 to 7 in the most exciting game yet played in the series. School have won all their games in their series, but every victory has only been by a one or two-point margin. "Timber" Mulqueen appeared on the School's half division, and played a fine game. He made some nice runs, and outpunted his opponents. School obtained a try when they broke through Meds' line and blocked a kick. The rest of their points were scored by rouges. Meds' try was secured by consistent bucking and running. The teams were evenly matched, and a large crowd were on hand and had plenty of chance to cheer.

Victoria and Dental College Football teams met in a Cup game at Victoria College, and after a hard-fought game the Methodists were returned winners by 6 to 5. Both teams fought hard, and the result was in doubt at all times. St. Michael's had beaten Dents 28 to 0, and as Victoria were expected to be strong, the showing of the Dents was a surprise Both teams resorted to the kicking game. Dents scored all their points on rouges, while Victoria secured a safety touch and four rouges. With but a minute to play, Dents had the ball on Victoria line, and it looked as if they would tie it up, but time was up before they had a chance to get it over.

Trinity defeated Wycliffe 21 to 0 in a Cup game yesterday. Trinity has a strong team, and should go up in the finals. They have a good line, and give their halves plenty of protection. The backs play nicely together, and make good gains by their combined passing.

KIRKWOOD NOT WOOD.

Sporting Editor Star. A few weeks ago when Frankie Fleming of Canada fought at Madison Square Garden in New York, and was knocked out in one round, you came out in one of your editions that he was knocked out by some dub named "Wood." Now, the boy who knocked Fleming out is a better boy than Fleming ever was, or in fact any feather that ever came from Canada. The boy who beat Fleming was George Kirkwood of St. Louis, who has fought Joe Rivers on the coast, knocked out Tommy Houck, fought and beat such boys as George Cheney of Baltimore, Johnny Dundee, Benny Kaufman, twice, Paddy Callahan, Al. Delmont, Mike Malia of Boston, Ty. Cobb of Philadelphia, and on Wednesday evening he meets Patsy Kline, one of America's best feathers. Now, I could go on naming other boys whom Kirkwood has met, but do not want to take up your time, but will conclude by saying that in your article you stated that Fleming was coming back to New York to look for this party "Wood" Well, we have not seen Fleming yet, but when he does come to New York again let him bring a little money, and look for George Kirkwood instead of Wood.

Manager of Tommy Murphy, Gunboat Smith, George Kirkwood.

PURE WATER.

A Primal Element, and Absolutely Essential to Life.

Did you ever stop to consider the incalculable value of water?

The human body is 70 per cent. water It is estimated that the system requires at least two quarts of water daily to make up the loss by evaporation. A portion of this loss is supplied by the vegetables and other foods we eat, a portion by tea, coffee and other liquids drank The principal use of water to the great human machine is, however, as a flusher out of the kidneys, stomach, and bowels, and to eliminate the vast amount of waste material even as city sewers must be flushed periodically to rid them of the accumulation of solids which have lodged and solidified therein.

Charles W Delacey Evans, M.D., M. R.C.S.E., surgeon to St Savior's Hospital, London, in his book, "How To Prolong Life," says

"There is no doubt as to the high value of distilled water used freely as a retarder of the assistant conditions which appear to constitute the condition of old age."

BEST FEATURE OF OUR GAME IS ABSENCE OF INTERFERENCE

Father Stanton Says It Is a Regrettable Feature of the American Game—Suggestion for a Canadian Football Commission.

Special to The Star.

Ottawa, Nov. 2.—Discussing the advisability of introducing off-side interference of the American code into the Canadian game, Rev. Father Stanton, coach of the Ottawa College team, who is an American by birth, says off-side interference is the one regrettable feature of the American game. It is the direct cause of 99 per cent. of the accidents in the American game. It is unfair to ask one man to stop two or three, and requires superhuman strength to do it.

The best feature of the Canadian game is the absence of interference.

Father Stanton suggests that a commission from all football unions in Canada be formed and take in some of the big games between American college teams, the idea being to borrow the best features of the American game and apply same to our game He believes in the abolition of side scrimmagers, and declares a man weighing over 190 pounds should not be allowed to compete in Canadian football.

Father Stanton lays great stress on the superiority of coaching methods in the United States.

PORT ARTHUR PLAYERS SHOULD MAKE GOOD

Hanley, Cameron, and Rochon to Get a Trial With Toronto Pro. Hockey Team.

The Port Arthur News says that the Toronto hockey pros. have signed Hanley, Cameron, and Rochon, the entire defence of the Port Arthur Club, and that they should make good. The News adds: "Hanley averages up with the very best of goal tenders. If the Torontos can get the best out of Harry Cameron they will have as good a point player as there is in the whole Dominion. George Rochon is no slouch either at cover point. 'Dutch' Neighbor has received an offer from the Torontos for a try out and has accepted. In his letter to Neighbor, Bruce Ridpath, the manager, promises him every opportunity to make good. He says every man will have to show what he can do before the team is selected for the first game, which will take place Christmas. Neighbor will leave for Toronto about the first of December."

AN INTERNATIONAL TRACK MEET PROPOSED.

Special to The Star.

New Haven, Connr., Nov. 2—Proposals for an international track meet next year between Oxford and Cambridge on the one hand and Yale and Harvard on the other, are being discussed here. It is said that the Englishmen are willing to come to this country for the contest, in which case no difficulty is anticipated in making the arrangements on this side.

Philip Baber, representing the Englishmen, is now in this country, and has had conferences both with Yale and Harvard

ANNUAL DINNER OF SWIMMING CLUB

Presentation of Prizes to Winners at the Walker House Last Night.

ACROSS-BAY TROPHY

Alderman Chisholm, representing Mayor Hocken, who was unable to be present owing to his accident on Thanksgiving Day, assured the Toronto Swimming Club at its annual dinner at the Walker House last night of his sympathy with the cause of swimming and clean sport generally. He thought that at least three public swimming baths would be none too many for this city. Alderman John O'Neill spoke in similar vein, and presented the cups and medals won in the club competitions during the season, including the races at the Canadian National Exhibition. Mr. M. E. Carroll, on behalf of the Walker House, presented a magnificent silver cup as a trophy for the annual swimming race across Toronto Bay. The cup takes the form of an immense silver cornucopia, standing on a pedestal of ebony, upon which the winners' names from year to year will be inscribed The first names to go on the cup are those of T Atkinson, A. McKay, and W. E. Hynard.

A program of songs and speeches followed the dinner, together with selections from the Toronto Swimming Club orchestra, under Mr. Harry Strickland. The Toronto Canoe Club, the Queen City Yacht Club, the Toronto Motorboat Club, and the Royal Life-Saving Society each sent representatives, who made speeches, endorsing the idea of co-operation among the aquatic clubs for the further establishment of public swimming baths and other objects desired by all in common. Mr. Henry Sherrard made a genial chairman.

Following is the list of those receiving cups and medals.

Diving championship—H. Demers and G. Millett.

100 yards, novice—S. P. Bourinot and W. E. Hynard.

50 yards, novice—J. W. Connell.

Half-mile, handicap—T. Atkinson and R. H. M. Lowndes

Summer series—R. H M Lowndes, H. Hamilton, and G Millett.

Individual medals for season:

R. H Lowndes, 4; E Lockhart, 1; H Hamilton, 2; W. E Hynard, 1; G. Millett, 2, H. Demers, 1; W. Stevenson.

Winners at Canadian National Exhibition:

100 yards, scratch—R. H. M. Lowndes and J. R Wilson.

100 yards, breast—A. McKay and W. E. Hynard.

Diving championship—H. Demers and A. M. Allen.

Greasy pole event—L. Saunders and M. J. Syme.

WRESTLING DRAWS WELL AT OTTAWA

About 2,000 in Attendance Last Night at a Bout in Which the Trimmings Were Sensational.

Canadian Press Despatch.

Ottawa, Nov. 2.—Raymond Cazeaux again met defeat at the local arena last night, Constant Le Marin winning from him after a sensational wrestling match. Le Marin was awarded the first fall on a foul in 25 minutes, the big Frenchman losing his head and kicking Le Marin in the chest. Cazeaux went wild when Referee Davy gave the fall to the Belgian, and grabbing the official's megaphone, tore it to pieces and hurled the remnants into the crowd.

In the second bout Cazeaux had Le Marin on the mat with a full Nelson, but the Belgian hurled his opponent high into the air and pinned him down with a head and leg hold.

Ottawa is giving wrestling good patronage lately, and about 2,000 persons were in the arena last night. The police appeared on several occasions and threatened to stop the bout, but it was not necessary. This makes Cazeaux's third defeat at the hands of Le Marin within two weeks Last night there was no question of the superiority of the Belgian.

"PACKEY" HAS HAD ENOUGH.

Chicago, Nov. 2—"Packey" McFarland announced yesterday he would retire from the prize ring after his forthcoming contest with "Young Jack" O'Brien in Philadelphia next month He said he was tired of the continual rigor of training, and that the lure of the dollar had lost some of its draw.

The Handiest Way To Shave

Some men, who have shaved for years with the old-style, long-bladed razor, find it hard to believe that the Gillette Safety Razor is really handier and quicker.

So the quill-using clerks of old must have looked askance at the first steel pens—until they learned by experience how much more effective they were.

A few days' experience with the Gillette and a man finds he can shave with it quicker and more easily than he could with the long-bladed razor after years of practice.

Holding the Gillette lightly, like a pencil, you can shave any part of the face, in any direction, using the true Angle Stroke. Those awkard spots around the chin and the angle of the jaw will give you no trouble whatever—and with the Gillette Safety Razor you will not cut your face.

Moreover, the Gillette can be adjusted, by a slight turn of the screw handle, for a light or close shave, or for a soft or heavy beard. This adjustability, which adds so much to the comfort of shaving, is found in no other razor.

Why worry along in the old way, when the Gillette way is so much easier, quicker and more comfortable? 493
