CENTRAL Y.M.C.A. TO HAVE ATHLETIC MEET.

Central Y.M.C.A. Executive of the track and field team have decided to hold an athletic meet at University of Toronto Stadium on June 12. There will be four events, all handicaps, and open to the city. The events are as follows: 100 yards, running high jump, 880 yards, and running broad jump.

There will also be a number of events for boys open to Central lads only. The Walkers' Club are promoting on that day a 20-mile hike, which will finish at the Stadium about 5 o'clock. While the track events are going on, soccer games will be conducted on the field.

FINANCIL BASEBALL LEAGUE.

An exceptionally fast game was played at the Island Stadium last evening between the Bank of Nova Scotia and the Union Bank in the Financial Ball League, recently admitted to the Toronto Amateur Basebball Association, resulting in a win for the Nova Scotia by 2 to 1.

The game was a pitcher's battle from start to finish. Dales of the Nova Scotia worked in excellent form, allowing but one hit and fanning eight men, while Lang of the Union showed class by allowing but two hits and fanning six. Batteries: Bank of Nova Scotia, Dales and Kirby; Union Bank, Lang and Jessop.

BEACHES FOR ORILLIA.

All members of the Beaches Lacrosse Club's Junior O. H. A. team, who are going to make the trip to Orillia, on the holiday, are requested to meet in front of the Union Station, not later than 7.30 a.m. The team leaves on the 7.45 train.

WILLARD TO FIGHT COFFEY ON LABOR DAY.

New York, May 22.—Champion Jess Willard will meet Jim Coffey in a ten-round bout in New York on Labor Day. Willard has decided that the public does not favor a "stage champion," and has consented to a battle with Billy Gibson's Irish champion.

The champion Grays were ousted from the league leadership. Incidentally they looked weak compared with the Leafs, who had a real good day.

REVIEW OF OPENING GAMES IN SENIOR AMATEUR LEAGUES

Every Indication Points to This Being the Banner Year for Amateur Baseball in Toronto Under a Central Organization.

The senior amateur ball leagues are all away to a good start, with every team figuring on the championship of their respective leagues and ultimately The Star Trophy.

In looking over the different leagues several weak spots are apparent, not only in the playing strength, but the system of conducting the games. However, the fact of opening day ceremonies and new officials, etc., might have been the cause, and no doubt these defects will be remedied as they should be to hold the support of the fans.

In reviewing the games and results some of these facts might be pointed out to the different leagues, not in a spirit of fault-finding, but merely to show the weakness.

The Vermont League opening was somewhat marred by Baracas not having a full team to compete against Wychwoods. This used to be a common occurrence with this team, but will no doubt be remedied at once. The Wychwood team, under Geo. Phillips, looks to be extra strong this season and should be factors in the race. St. Cyprians look a little weak through having depended too much on getting players reinstated and not hustling for new material. They are, however, strengthening and should be heard from later.

In the Dovercourt League the teams seem evenly balanced, with no team getting the preference. The Dovercourt Baracas seem to be the weak sister, but with a hustling new manager should be contenders. It might be pointed out that no person should be allowed to sit on the players' bench unless he is in uniform or manager; also that it is bad policy for umpires to pass remarks on the pitchers' ability, etc. The reason of delay in starting the second game should not be necessary to hold up the games in future.

The Western City League opening was marred by the delay in starting and also the unsatisfactory ending of the first game. The only reason advanced for the delay has been that the teams wanted to practise, which does not seem adequate enough to hold a game up until three o'clock. The calling of the game at four o'clock is according to rules, but allowance should have been made to permit the teams to play their other inning so as to get a satisfactory result if possible. This league also should have it understood as to who the umpire should look to for instructions as to calling games, etc., and not have every manager trying to tell him what to do.

The Don Valley League opened very auspiciously as far as attendance and notables being present were concerned. The teams do not look as well balanced as last year, the Royal and St. Francis clubs being especially weak. They are, however, strengthening, the Royals having made a call on some of the old guard to bolster them up. The champion Eatonias are much superior to last year's team, and St. Pauls from their line-up are also strong. These two teams at present look to be the contenders. It is regretted that St. Josephs team were so badly advised as to protest the opening game, as the Royals had much better ground to protest the second game with St. Francis, but preferred winning on the field, which action should be commended.

The Beaches League, playing at Kew Gardens, looks better balanced than in previous years, but warning should be issued to some of the players that rowdyism and bad language will not be tolerated, otherwise they will be watching the games instead of playing.

The Toronto Senior got off to an auspicious start. The four teams appear to be well balanced with the same old rivalry and large crowds. This looks like the best balanced league in town.

The West York, Playgrounds, and Y.M.C.A. leagues are all under way and will be mentioned in despatches later. All in all, this looks like the banner season for amateur ball in Toronto.

The Alexandra Yacht Club will open up the 1915 season by giving a complimentary dance on the evening of May 24 at the clubhouse, Ward's Island. The clubhouse has been newly painted, and a complete rearrangement of the lower floor has given the members the much desired space for more dinghy and canoe accommodation. The sailing schedule clearly shows that this club is steadily advancing. In fact, ever since Commodore H. E. McDowell has taken command the affairs of the club certainly have advanced in tremendous strides, and with the co-operation of the Ward's Island yachting folk, this season should be a huge success. SUPPLIES FOR THE BOYS AT THE FRONT.

It is earnestly requested that all persons intending to send sporting material for the use of the boys at the front do so as soon as possible, as the committee are desirous of securing enough for the first shipment. The needs are immediate, and the request has come direct, so that he gives twice who gives quickly. Almost any kind of sporting material will be acceptable, especially baseball and lacrosse supplies, as these are the games most played by the Canadians and in which the greatest number can participate at one time. A 'phone call to West End Y. M. C. A., College and Dovercourt (College 600), will bring a messenger for your donation, or you can leave same at the building any time.

INTER-SUNDAY SCHOOL BANQUET AT CENTRAL Y.

Shield-Pennant and Badges Awarded Last Night to Winners.

The members of the Inter-Sunday Indoor League closed the season with a banquet last night at Central Y. M. C. A., when about 70 were in attendance, representing 12 Sunday schools in the district. Stan Raymore, president of the league, was chairman. Mr. John Beaton, of the city Secondary Division Council, gave a talk on the value of athletics in the development of fourfold character. Representatives from the various schools were heard. Mr. Frank G. Lawson, Secondary Division superintendent of the Toronto Sunday School Association, drew attention to the aid the Y.M.C.A. was able to give to the Sunday schools in developing the boy physically.

Mr. Fred J. Smith, physical director of Central and honorary president of the league, in presenting the shield to All Saints, and the other prizes won during the season, spoke of the character building value of team play.

Next Thursday night at 6.30, at Varsity Stadium, two events will be run off, viz., 50-yard dash and standing broad jump while the following Thursday night a twilight meet will be pulled off. The events will be run off according to weight and age.

Any Sunday school between Parliament street and Bathurst street may secure entry forms by writing the secretary, Merlin Clubine, 513 Church street (North 7211), enclosing entrant's age and weight.

CHANGE IN CLEVELAND MANAGEMENT

Cleveland, Ohio, May 22.—President Somers of the Cleveland American League Ball Club has relieved Joe Birmingham from management of the club. Dissatisfaction with the showing made by the team is supposed to be the cause. No successor has been announced.

AUSTRALIAN IS FAVORITE

Corry Is Called to Win the Motor-Paced Derby.

The stage is set for the greatest speedfest ever arranged for a Canadian track, namely, the opening race meet of bicycle, motor-pace, and motorcycle races at the Motordrome to-night, the feature of which will be started by his Worship Mayor Church and Ald. Louis Rubenstein, of Montreal.

Never before has such a collection of bicycle stars, pace-followers, and speed-fiends been gathered together for a meet here, and with fair weather promised a great sporting event will be afforded. There are eight big events on the card, including the International 25-mile motor-paced Derby, where Corry and Pye, the Australians, face Mitten and Turville, the Yankee cracks. Corry is the favorite. Seventy-five cyclists are entered for the bike contests, and there are 14 motorcycles available for the motor flights. The first race will start at 8.20 sharp, and there will be no delays, according to the promise of Manager Hughes. The band of the Queen's Own Rifles will play throughout the evening.

MOSS PARK HANDICAPS.

The weekly handicaps were run off last evening at Moss Park Recreation Centre, with 75 boys competing and a total of 102 entries received. "My" Taylor, a new man in the junior division, won the base-running event quite handily, and looks like a real find. The juvenile 50 yards dash brought out one of the biggest fields that has ever faced the starter at Moss Park. The boys ran a splendid race, and some of our future champions will no doubt be developed from these ranks. T. Talt won this event. D. Pollack surprised the field in the base-running by making the circuit in the fast time of 32-5 seconds, which was quite fast enough to win this event quite handily. The summary:

LONGEST GAME OF SEASON WON BY WHITE SOX

Boston Beaten in 17 Innings by 3 to 2, Faber's Seventh Straight Win.

NEWARK TEAM HERE ON THE HOLIDAY

Play Morning and Afternoon Games at the Island—Rudolph Loses Hard Game.

Chicago and Boston Americans played the longest game of the season at Chicago, the former winning out, 3 to 2, after 17 innings. Incidentally this was Faber's seventh straight victory. Pitcher Mays, formerly of Providence, weakened in the seventeenth. Weaver doubled and Quinlan was hit by a pitched ball. Schalk beat out a hit and Daly batted for Faber with the bases filled. He singled to left, and Weaver scored the winning run.

Rain prevented three of the four International League games yesterday, the only game that was played being at Montreal. To-day Providence and the Leafs meet in two games. On Monday Newark will come here, playing morning and afternoon. The morning game will be called at 10.30, and the afternoon at 3.15.

The Athletics won a slugging match at Detroit. Five pitchers were used.

St. Louis scored two in the eighth and three in the ninth and beat New York Americans out 5 to 4.

Richmond made it two straight by taking a ten innings game from Montreal by 3 to 1. Although the Royals outhit the visitors, Andrews was steadier than Millar at the critical moments.

Lavender of Chicago beat Rudolph in a pitcher's battle at Boston by 3 to 2.

London defeated Guelph by 17 to 6 in a very bad game at London. Carney and Page pitched poorly for Guelph, and the team made seven errors behind them. Labate pitched steady ball for London.

The Ottawas made nine errors at home yesterday, and Brantford, who made 7, beat them out, 8 to 6. It was a farcical exhibition.

Rogge, pitching for Pittsburg, beat Baltimore Feds by 3 to 2.

Krueger's four runs, scored on three singles and a double out of four times at bat, and opportune hitting on the part of his team-mates, helped Kansas City to a victory over Buffalo, 8 to 3.

Hendrix blanked Brooklyn Feds in all but the first inning, and led with a triple and a home run, an attack on Seaton that resulted in a 9 to 2 victory for Chicago.

Despite the decidedly chilly and threatening weather, 35 husky business boys from Central Y.M.C.A. were out last night to take part in the regular weekly athletic events at Varsity Stadium. The first item on the card was the 100-yard sprint for the junior business boys, M. Goldstein winning by a yard from J. Factor, with J. Carr third. Goldstein also won the shotput, putting the "pill" 28 feet 11 inches with his handicap. Carr was second with 25 feet 6 inches, and W. Webb third from scratch with 24 feet 11 inches.

The senior business boys' 220 yards was a fight between N. Fraser and H. Porter, with Fraser having the best of the argument, winning from scratch in 25 seconds flat. F. Wright was third. W. and J. Sheppard cleaned up the shotput with 30 feet 1 inch and 28 feet 8 inches, respectively. C. W. A. Kelly was third.
